SLOANE SQUARE
S W

My dear friend,

So many thanks
for your last. Since you feel
like that about "Hvide Skyer"
I would not think of including
it, so have made my group
as follows:

(a) "Heimweh"

(b) (G moll) Harmoneske

(c) Berceuse G dur

(d) "Jon Væstafos Springdans"

Jon Væstafos is so very effective &
genial & will really be a finer
ending than the other, so I don't
mind a bit, as I love them

all, anyhow.

I play "Norsk Brudefæse" at
2nd Concert.

We are both thirsting to
be in Norway again.
we leaves in a few days &
are address will of course be C/o
Bredene Hals.

I play Salesund 13. Sept
Bergen 16 "
Haugesund 17 "
Bergen 19 "
Stavanger 20 "

Maybe I be with you at Trondheim
as much as I can during those
days? It is rather a scramble,
I am afraid.

I do hope it will sent you to
have me then.

I will write again from Norway
as soon as I know details of
my journeys & give you a definite
address to write to me to, if you will.

Very much love from
yr busy Percy.
