My dear friend.

Ever so many  
thanks for your letter.

Det er rigtig nok godt af Dem  
at ville give mig en af de 2  
slætter bøger de har. Jeg vil ~~me~~  
henrykt for at have det, kan Petro!

Imidlertid sender jeg Dem en af  
den nye udgave, da det vist vil  
være Dem kjer at se de små  
forandringer, o. s. v.

By "improved" I meant that  
several wrong notes in the first edition  
are corrected in the new, & that several

2/ doubtful pianistic details have  
been clearly erläutert, & occasionally  
some delicious new harmonies  
added. (Perhaps mainly the alterations  
you have in Grieg's handwriting in  
the copy you mention?) Personally  
I adore both the forms of the old &  
of the new edition, & would not be  
without either. Derfor var jeg saa selvsk

at henvende mig til Dem som jeg har gjort.  
Jeg skal spille Grieg konsert i Petersborg  
med Siloti (som dirigent) i vinter hvis vi kan  
blive enige om datoerne. Det er saa vanskeligt  
fordi rejser tager en valdig tid.

Now I hope you will stay with us here in  
October & that you will be in London when  
I return (from Berlin & Hamborg) to  
conduct my "Green Bushes" in London. Oct 19.

Jeg havde en meget morsom tid i  
Skellestrand. Vejret var godt, og jeg fik  
en bunke arbejde gjort i de 10 dage.  
Karen Koltens fot gør gode fremskridt.  
She has been lucky with it, I think.  
Ever so much love to you both  
Yr fondly Peter
