

Dear Sir,

I have many times heard your delightful compositions & each time with increasing admiration. As a souvenir of the happy hours thus spent, may I ask if you will honour me with your distinguished autograph & your favourite quotation, which I am sure you would grant, if you knew the great pleasure they would af-

ford me.

Believe me

Faithfully yours.

R. Mackay.

To Herr Edvard Grieg.

May 2nd 1888.
