Dear Madam,

I send you for
the information of Herr
Grieg, a report of our per-
formance of his beautiful
Holberg Suite.

We were very
sorry to hear that he
was ill and pray that

God will give him rest
and peace of heart to
restore him to health
again, and I am sure
this is the earnest desire
of many in this country
where his music is so
dear to us and so well
understood in all its
sorrow and playfulness.

We are now
learning by heart his

'melodies' for strings
and should be very thankful
to know of anything else
which he has written or
adapted for strings alone.

With our best wishes
and thanks

Believe me

Yours faithfully

Res.) Walter M. Watkins Pitchford

conductor of the
Warwickshire Ladies'
Orchestra.
