Dear Dr. Grieg,

I was very glad to get your nice letter. Thank you very much for it and for the good wishes it contained. We are delighted at the prospect of seeing you in London again in October and we shall do our best to make your stay comfortable.

October 16th. and October 23rd. will do very well and you may consider these ^dtes as settled. As soon as you know, we should of course like to be informed how many other concerts you give in or near London, and when they take place.

Unless you have done so already to Mr. Newman, will you kindly let me know whether you have any special wishes about artists. Miss Stockmarr counts on playing again, and if you are agreeable, we certainly are. She has made quite a success in London and is such a serious artiste and such a nice girl that we shall be only too glad to give her a chance of playing again under your auspices. Nothing could be better for her.

I have just left London en route for the Italian Lakes and Venice, and look forward to spending a few days with ^{our friends} the Beckers. I haven't been away for a long holiday for 2

My wife joins me in kindest regards to Madame Grieg and yourself.
